

BESTTefl courses and services:

* BESTTefl Online Course: <BTOC2009>

Instead of attending a class room training of 1, 2 or even 4 weeks, you will get the TEFL teaching principles served in reasonable portions of theory: modules. Every module must be completed with a test and the score must justify the next step. Online (chat) support and restricted and safe email traffic are substantial parts of this course.

A TEFL certificate is basically worthless without at least 120 hours teaching experience of which 6 hours monitored and evaluated by a qualified teacher. After completion of the online part, you'll get a provisional TEFL certificate stating that you've completed the BESTTefl online course. With this certificate, you'll receive an evaluation form + manual, in order to monitor and evaluate you for at least 6 hours during your teaching practice.

Benefits: - do the theoretical part of the course in your own pace and practice teaching in your own surroundings. You might teach full time for some weeks or teach part time during weekends or holidays. The BESTTefl online course in combination with the teaching practice is a very flexible way to obtain your TEFL certificate.

The cost for the BESTTefl Online Course is \$ 249.00 and includes:

- 3 months access to the BESTTefl Online Course data (password protected)
- 1 year membership of BESTTefl Teachers' Lounge
- online chat and email assistance (5 hours)
- assistance in finding a place to practice teaching
- provisional certificate after completing the online part
- TEFL certificate after completing the complete course

Duration of the course:

The BESTTefl Online Course has 2 parts:

- the theoretical part: 40 hours in 3 months
- the practical part: 80 hours in 1 months

The total course will take up to 4 months, but may be shorter if you are able to combine the theoretical and practical part.

The best places to practice teaching are language institutes where immigrants are being taught to speak, read, write and understand English. Finding such a place is your job, but we will support you with information addressed to the institute regarding the online TEFL course and the purpose of the teaching practice. <enroll> * Teaching practice as a follow up to the BESTTefl Online Course: <BTTP2009>

Instead of practicing in your own environment, we offer you the option to practice in a real TEFL environment: Thailand and to enjoy the beautiful country and its friendly inhabitants.

After completing the BESTTefl Online Course you're going to teach at a local Thai Government or Private School for the duration of 120 hours. You even might earn approx. THB 15,000 – THB 18,000 per month. We'll take care of a teaching position and the necessary monitoring and evaluation. During your teaching practice period, you're being offered the possibility to receive face-to-face assistance from one of our trainers.

After the teaching practice period, which will last approx. 6-8 weeks, you'll receive your TEFL Certificate which opens teaching doors all around the World.

This option is open to all TEFL Online Course certificate holders!!

The cost for the BESTTefl Teaching Program is \$ 475.00 and includes:

- guaranteed teaching practice position
- monitoring and evaluation
- face-to-face assistance
- assistance in finding accommodation
- future job finding assistance
- one year membership of the BESTTefl Teachers' Lounge <enroll> * The BESTTefl In-class Course:

<BTIC2009>

A complete course for people who have 3 months to spare.

The course contains an in-class training of 40 hours in which you will receive basic information in order to start your

teaching career.

In small groups you will be trained in e.g. class room management, lesson planning, teaching techniques, local culture, some native language, teaching reading, writing, speaking and listening. The in-class training is compressed into 5 days, from Monday until Friday.

Directly after the in-class course we will have teaching practice positions available in order to practice for at least 120 hours. The funny part is, that you'll get paid during your practice period of approx. 6-8 weeks. THB 15,000 – THB 18,000 per month for trainees, which means, that you'll earn your enrollment fee back.

After we received your evaluation form (made by a qualified Thai or TEFL teacher), we submit you TEFL Certificate, which is recognized and valued all around the World.

Benefits:

- course and practice in one
- a pretty short time frame from start until graduation
- possibility to earn back your enrollment fee
- enjoy course and teaching practice in a wonderful environment
- face-to-face contact and assistance
- a good opportunity to receive training and get integrated in a strange society at the same time

Although a lot of TEFL Teachers will utilize their knowledge at schools amongst young learners, an increasing number of TEFL Teachers are being asked to teach business people in language centers as well as in companies.

The English business students need a specific approach and they demand a certain improvement in spoken English right after the start of their course. Furthermore, they'd like to discuss certain actual topics in order to improve their skills instead of doing so by playing games; they ARE business people.

You will be trained in specific business class situations, approach of adult students, how to deal with actual topics, a healthy portion of grammar.

Benefits:

- a complete work shop like 8 hour course for Business TEFL Teachers.

Costs: The BESTTefl Business Course cost: \$ 250.00 <enroll> * The BESTTefl Young Learners Course:

<BYL2009>Most of the TEFL Teachers will utilize their knowledge at schools amongst young learners and an increasing number of TEFL Teachers don't feel confident in approaching young learners, because they have their own “student-teacher” experience in mind. The Young Learners of English need a different approach from the students we've experience with and they demand a certain improvement in spoken English some time after the start of their course. Young learners are not very interested in long stories about tenses, punctuation or other important grammar facts, but they would like their knowledge in games, activities and role plays. You will be trained in specific class room situations, approach of young learners, how to deal with difficult students, how to teach very young learners e.g. Nursery kids. Benefits:

- a workshop-like course of 8 hours for everyone with a TEFL/TESOL certificate.
 - a very good opportunity to meet other TEFL/TESOL teachers and exchange ideas
- Costs: The BESTTefl Young Learners Course cost: \$ 250.00 <enroll>

* The BESTTefl Extended Class room Course: <BTECC2009>

This is the best option for those who don't like to take any risk in possible lack of knowledge. Although for some teachers a short preparation is enough, most of you would like to be sure about their confidence which takes a bit longer to built than just a week. That's why BESTTefl offers this 3 week/120 hour course.

Apart from the general TEFL principals, you will be taught how to teach reading, writing, listening and speaking. Especially speaking will be emphasized, because most TEFL teachers are being asked to teach English pronunciation.

Besides the TEFL principals the course offers lesson suggestions, lesson plans, games and activities, work shops, grammar, teaching observations and lots of other teaching stuff.

After this course you'll be armed with enough material to teach for months.

Benefits:

- a complete 120 hour TEFL course for General TEFL Teachers.

- 6 hours of observed and evaluated teaching are included in the course.
- the course duration is 3 weeks:
- General TEFL principles
- lesson training and grammar
